

Humane Society of Harlingen
— Found Animal Report —

1106 Markowsky St., Harlingen, TX, (956)425-PAWS(7297) Fax: (956)4228-1022
Email: harlingenhumanesociety@yahoo.com

Please include animal's picture (a picture is a much more accurate description, and can be posted on shelter bulletin board for everyone to see). Drop off completed form at shelter w/picture, send via fax, or email info ("Found Pet" in subject line/attach picture). You may call front desk to report your "found pet," however, this does not allow us to include a picture, which can often make a big difference in helping to identify the pet.
